MEDIA KIT GOLFERS MAGAZINE

Golfers Magazine has been the leading golf title in the Netherlands and Belgium for more than 35 years.

Our readers are passionate about their sport and want to know about the best places to play and new equipment. They want to improve their handicap via instructions from the top players in the world and read background stories and interviews.

Through Golfers Magazine you reach ambitious and enthusiastic golfers in the upper segment, who play at least once a week and are willing to invest in their sport. They are between 35 and 65 years old, are educated to university or college level and are entrepreneurs or work in the higher echelons of business life. Golf isn't just a sport, it's their way of life. www.golfersmagazine.nl
